2 Timothy 2:16-17 tells us, "All Scripture is inspired by God and is useful to teach us what is true and to make us realize what is wrong in our lives. It corrects us when we are wrong and teaches us to do what is right. 17 God uses it to prepare and equip his people to do every good work."

When I had small children, I would always end up purchasing gifts for them that needed to be put together. Each of them with tiny parts and miscellaneous nuts and bolts. I have put together doll houses, playhouses, bicycles, tracks, and many other items. Through these adventures, so many times over the years, I had at times found myself ignoring the instructions and just trying to put them together on my own... This never really turned out well. I usually had to take it back apart and start overusing the instructions anyway.

The same is true of our lives. The Bible gives us clear and precise guidance on how to put our lives together and to make us aware of what to avoid. The Bible corrects us and leads us down a path that prepares and equips us to do good.

Success or failure, in the Christian life, is directly proportional to how much of the Bible you get into your heart and mind on a daily basis and how obedient you are to it. If you avoid the Word of God and only pick it up on occasion, then you will find that your life may not be assembled correctly. You may even find out that you are missing a few of the vital parts to make you complete.

So, what am I saying... It is always best to consult the user's manual; read the Word daily, but don't only read it, do what it says so that you will be complete in every way, needing nothing.

In Christ,
Pastor Phil
