In Matthew 5:14 Jesus tells us, "You are the light of the world—like a city on a hilltop that cannot be hidden."

We have been called to let the light shine in the darkness!

But how exactly do we shine a light in a world that seemingly gets darker by the minute? The truth of the matter is this... unless we are plugged into the power source of His Light then we can't.

In John 8:12 Jesus proclaims, "I AM the Light of the world". Did you catch the correlation there? We are only the light of the world as we reflect the Light of Jesus.

2 Corinthians 4:6 tells us, For God, who said, "Let there be light in the darkness," has made this light shine in our hearts so we could know the glory of God that is seen in the face of Jesus Christ.

You see, "God's light must shine upon us before it can ever shine through us". We cannot produce light on our own... we can only reflect it... and this only comes from being plugged into the source of all Light, which is Jesus, the true Light of the world.

Let's take some time to unplug from the things of this world and let us plug into Jesus... then let us watch as His reflection, upon us, begins to cast out the darkness.

In Christ,
Pastor Phil

SLOW DOWN

Greetings from the safety team! Recently a 15-year-old was coming out of their church (sounded like the way our church is) and was hit by a car in the parking lot and killed. PLEASE slow down. Speed limit is 5 MPH and even less if you see pedestrians in the parking area. We are very fortunate to have the grove, playground and basketball area for young members and families. Please don't drive distracted, watch your speed and look out for others as we go into a busy season of the year for our outdoor activities.

Every page of Scripture speaks of God's mission to save sinners. Jesus commissioned his people to make disciples. And Jesus even modeled the Great Commission for us.
WMU learned a long time ago that our churches will drift from the mission when there isn't a plan to help every church member find and pursue their role in the Great Commission.

Believers must be disciplined in both doctrine and missions, which is why we have been working since 1888 to make sure Southern Baptists move the Great Commission from the periphery to the priority.
Missions discipleship in the church provides opportunities for everyone-preschoolers through adults-to be involved in missions. Churches who provide missions discipleship encourage people to grow in their faith as they learn about missions, pray for missions, support missions, and do missions.
