Count your blessings name them one by one...

Much of the world considers Thanksgiving as just another excuse to throw a party or watch football all day, but it goes much deeper than that.

Thanksgiving is not just a day set aside once a year to be thankful, but it is a mindset! Psalm 136 begins with, "Give thanks to the Lord, for he is good! His faithful live endures forever." But then the list goes on as to why they should give thanks.

What if each day we would take the time to simply count our blessings?

I pray that everyday is a day of thanksgiving... that as Christ rules in your hearts, you might begin finding ways to continually give thanks.

For me, I am so very thankful everyday for my wonderful family and the wonderful blessing of being a "poppy" to my beautiful granddaughter. I am also thankful to be blessed with being the pastor of my wonderful church family of West Hampton Baptist Church.

What are you thankful for? Start counting...

In Christ,
Pastor Phil

Flying over Brazil, you'd see the extended arms of the Christ the Redeemer statue, millions of square miles of the Amazon basin, and the largest river system in the world. If your aerial view is the week before Ash Wednesday, you will find colorfully clad dancers, floats, and spectators celebrating carnival.

IMB missionaries are passionate about reaching Brazilians with the gospel. We invite you to join us on Wednesday, November 19 @ 6:00 to learn more about how God is moving in and through Brazil. As you get a taste of the local cuisine, learn about life on the mission field from bustling cities to the heart of the jungle.
